

Bio-Soy Orange™ All-Purpose Degreaser/Cleaner

Biobased, Industrial-Strength Cleaner and Degreaser with Citrus Scent

Bio-Soy Orange™ is a highly concentrated, biodegradable cleaner and degreaser designed as a safe and effective alternative to petroleum solvents. Formulated with soy and orange solvents, this non-flammable, non-foaming product offers exceptional performance in removing heavy grease, grime, tar, and stains from a wide variety of surfaces. Ideal for industrial, military, marine, transportation, agricultural, and household use.

Benefits

- Readily biodegradable, environmentally non-toxic, not bioaccumulative
- Fresh citrus scent; no harsh fumes or flammables
- Removes grease, oil, wax, tar, glue, asphalt, mildew, scuff marks, and more
- Effective on tough grime including black streaks, cooked-on fats, and road film
- Safe for use on wood, vinyl, tile, grout, metal, and more
- EPA, OSHA, and worker-accepted biobased formulation
- Dilutable for general and light cleaning tasks
- Manufactured with soy and citrus solvent technology

Application / New Filling

- o Parts, tools, engines, shop floors, walls, grills, and stoves
- o RVs, campers, tires, vehicles, boats, decks, siding, bathrooms, and kitchens
- **Directions:**
 - o Apply with cloth or brush, then rinse with water
 - o For heavy cleaning: use full strength
 - o For general cleaning: dilute 1 part product to 10 parts water
 - o For light cleaning: dilute 1 part product to 30 parts water
 - o Spot test on surfaces for compatibility before use
 - o Do not leave concentrated product on surface longer than needed ---- rinse promptly

Specifications and Approvals

- Proprietary biobased formula with soy and citrus solvents
- Safe alternative to VOC-containing petroleum cleaners
- EPA and OSHA compliant for workplace safety
